Re: Group Travel Insurance Benefit Amendment – COVID 19

Please be advised that as of August 13th, 2020, the Travel Insurance Provider, RSA issued an Amendment to the Ironworkers Group Travel Insurance Benefit.

What does this mean for you as a Member and your eligible Dependents?

The following wording will replace any existing exclusion(s) wording in the Benefit Booklet related to the medical conditions or losses you may suffer or contract in a specific country, region or area while a travel advisory is issued by the Canadian Government:

- Any sickness, injury or medical condition you suffer or contract, or any loss you incur in a specific country, region or area while a travel advisory of “**Avoid non-essential travel**” or “**Avoid all travel**” is in effect for that specific country, region or area and the travel was issued by the Government of Canada before your departure date (or, if applicable, the date of purchase of your trip in reference to trip cancellation insurance benefits), even if the trip is undertaken for essential reasons. This exclusion only applies to medical condition or losses which are related, *directly or indirectly*, to the reason for which the travel advisory was issued.
- If the travel advisory is issued *after* your departure date, your coverage under this certificate in that specific country, region or area will be restricted to a period of 10 days from the date the travel advisory was issued, or to a period that is necessary for you to safely evacuate the country, region or area, after which coverage will be limited to medical conditions or losses which are unrelated to the reason for which the travel advisory was issued, while the travel advisory remains in effect.

NOTE: *Should you purchase any extra insurance for Covid-19 for travel purposes, we highly advise close scrutiny, as there may be limited maximums.*

For more complete information regarding your coverage, including terms, conditions, limitations, and exclusions, please refer to the Benefit Booklet. Please keep this Announcement Letter with your Benefit Booklet for reference purposes.

If you have any questions regarding the change in insurance, please contact RSA before you or your dependents decide to travel.
