# IRONWORKERS HEALTH & WELFARE TRUST FUND OF WESTERN CANADA

## WHO IS ELIGIBLE?

Members (if they meet the self-pay eligibility criteria outlined in the next section) or Trustees and their dependents are eligible to self-pay for coverage (under the Full Benefit package, Reduced Benefit package, or the Life and AD&D Only package).

Eligible dependents include:

- Spouse (legal or common-law)
- Unmarried children under age 21, or under age 25, if attending full-time school; or any children dependent on the Member due to physical or mental disability, regardless of age.

## WHO CAN MAKE SELF-PAYMENTS?

If at the end of any given month, a member's Hour Bank falls below what is required to meet one month's coverage costs (125 hours), he or she will have the opportunity of contributing the necessary amount of money so that he may continue to be insured. Under this provision, self-payments may be made on the following basis:

- Monthly payments equal to the coverage costs may be made for a maximum of 18 consecutive months by Active Members who have exhausted their Hour Bank Account;
- An Active Member must remain a member in good standing of the Union to qualify for the Self-Pay Provision;
- Eligible employees of either the Union or Contributing Employers cannot self-pay.
- There are self-payment options available for Retirees. Contact the Fund office, or reference your booklet, for more information.

## SELF-PAYMENT OPTIONS

If your reserve account falls below 125 hours, you may continue coverage by making self-payments provided you arrange to make your first payment prior to losing eligibility.

Payments must be made continuously and in advance of the month for which coverage is desired. You may continue to self-pay for up to 18 months.

**If you decide to self-pay, 3 levels of coverage are available to you:**

1. Full Benefit Package: Same benefits as Active Members, but Life & AD&D at \$50,000
2. Reduced Benefit Package: Life & AD&D at \$25,000 each; Prescription Drugs at 80% coverage; Dental includes Basic services only at 80% coverage; Vision Care at \$240
3. Life Insurance Only Package: Life and AD&D at \$50,000 each

**Weekly Disability and Extended Disability coverage is not available under any self-pay option.**

Once you have chosen a package you cannot change your level of coverage.

## WHAT COVERAGE DO I HAVE IF DISABLED?

Waiver of Premium is not available to Self-Pay Members. However, government disability benefits may be payable. Contact the Fund office for more information.

## COVERAGE FOR RETIREES

If you retire, you may be eligible to continue benefits up to attainment of age 75 (at a reduced coverage level), either through the Trust Fund paid option, or through self-payments. Contact the Fund office for more information.

## TERMINATION OF COVERAGE

Your coverage under any of the self-payment options will cease at the earlier of:

- When you have accumulated enough hours in your Hour Bank for Active Member coverage to be reinstated.
- When premium payments cease.
- When you are no longer a Member in good standing.
- After 18-months of self-payment (the maximum allowable).

- When you reach age 75.

## MISCELLANEOUS

**Change in Dependent Status:** Please notify the Fund office when you marry or have children (or if there is any change to who would qualify as a covered dependent).

**Common-Law Spouse:** To establish such a relationship your common-law spouse must have been residing with you for at least one year.

**Beneficiary:** A beneficiary should be named for all plans involving a death benefit. If you have not named a beneficiary, benefits will be paid to your Estate.

**Co-ordination of Benefits:** The Canadian Life & Health Insurance Association guidelines dictate that for families with coverage under more than one benefit plan, each spouse must submit their own claims first to their own benefit plan for reimbursement. If there is any amount left unpaid, the remainder may then be submitted to the spouse's benefit plan. Claims for dependent children must first be submitted to the benefit plan of the parent whose birthday occurs earliest in the year.

Benefits under this plan are not insured or guaranteed, and may, at the Trustees discretion, be amended, terminated or wound up at any time. The Supplementary Health, Vision and Dental plans are not underwritten by an insurer but are self-insured by the Trust Fund.
